

# MOUNTING ACCESSORIES

FOR SPECIAL INSTALLATIONS, MAKE YOUR OWN SOLUTION

**Mounting accessories make installation of holders and devices easier.** For special installations, make your own solution by using various accessories.

**MultiMoveClips** are used for switching device holders on the same ProClip, or moving your holder between vehicle-vehicle-office-home.

**Tilt swivels** offer easy adjustment of an installed holder or device. The standard version tilts 20° and swivels 360°

**Mounting plates** are available as extensions or angles. Makes it possible to set the installed holder or device in the correct position.

**Benefits:**

- Adds an extra feature/usability
- Predrilled AMPS holes, or other industry standard holes
- A wide range of products, such as extended mounting plates, angled plates, tilt swivels, mounting adapters etc
- Compatible with all Brodit holders, ProClips and Pedestal Mounts, as well as other brands
- Made of high grade ABS/Acetal plastic, color black
- Made in Sweden
