

TAXI & HEAVY DUTY MOUNTS

EXTRA STRENGTH MOUNTING PLATFORM

Brodit high strength mounting bracket is a mounting platform that you install in your car. It serves as a base for communication device holders. Keep your device attached to the dashboard in a secure and convenient way - always within easy sight and reach!

Brodit can offer heavy duty mounting brackets suitable for mounting taxi equipment or similar heavy devices. The brackets can hold taximeters, payment terminals, printers or larger navigation screens, only to mention a few.

Does not damage the interior: The interior of the vehicle will not be damaged as no drilling of holes is required, you do not need to dismantle the dashboard.
